PRODUCTION DATES 6th to 8th February, 2020

AUDITIONS – Thursday 3rd October, 2019 at 7.30 p.m.

Interior Designs is a masterly observation of human relationships and conflicting viewpoints by Jimmie Chinn. Him, a brash, arrogant odd job man, is offering his "services" to three women: Holly, a successful TV-am newsreader; Irene, a solitary school teacher; and Amy, a frustrated housewife. Although of very different backgrounds, the three women share a common fate of loneliness and frustration.

Period: Modern Day
Set: Blacks with one step ladder and four stand chairs
Costumes: Current day
Props: Minimal
Lighting: Four separate areas – lit by spotlights
Sound: Door bells, breaking glass, fire engine siren (later two fire engine sirens), clarinet playing, a rifle shot, a brass band and applause.
